COVID-19 Vaccination Scheduling

Southeast Georgia Health System

sghs.org/covid19-vaccine

Southeast Georgia Health System offers the COVID-19 Pfizer vaccine to all individuals age 12 and older. The Moderna vaccine is available by request for adults age 18 and older. To make an appointment, visit sghs.org/covid19-vaccine and click on the location that is most convenient for you.

BRUNSWICK CAMPUS
2415 Parkwood Drive, Brunswick
Tuesdays, 8 a.m.-3 p.m.
Thursdays, 4-6 p.m.

CAMDEN CAMPUS
2000 Dan Proctor Drive, St. Marys
Mondays, 8 a.m.-3 p.m.

Vaccination Day Reminders:

Face masks are required. Bring a form of identification and wear a shirt that gives access to the upper arm. Following the vaccination, recipients will be required to remain in an observation area for 15 minutes to ensure they do not experience any adverse reactions. <u>When returning for the 2nd or 3rd dose, please be sure to bring your vaccination card with you.</u>

Pfizer COVID-19 Booster Shot

The Health System has begun administering free Pfizer COVID-19 booster shots to a larger segment of the general population who have received their second dose at least 6 months prior. Qualifying individuals include:

- people age 65 and older,
- residents in nursing home and long-term care settings,
- people age 18 and older with certain underlying medical conditions, and
- people age 18 and older who are at increased risk for COVID-19 exposure because of where they work, such as health care settings, schools and homeless shelters.

Moderna third doses are available for those age 65 and older with a physician's note verifying they have an immunocompromised condition.

Full details of the CDC criteria can be found online at https://www.cdc.gov/coronavirus/2019-ncov/vaccines/booster-shot.html

Anyone under age 18 must be accompanied by a parent or guardian to receive vaccination. The Pfizer vaccine is the only vaccine currently authorized for ages 12 and older.

You do not have to be vaccinated in your county of residence. Any Georgian can be vaccinated in any county. Immigration status is not a consideration. If you live in Georgia, you are welcome.

Thank you for choosing to be vaccinated for COVID-19. Together, we can and will defeat this disease!
