

Reduce Pain. Recover Quickly.

Advanced Orthopaedic Care

Summit Sports Medicine & Orthopaedic Surgery offers comprehensive, high-quality treatment for musculoskeletal injuries and conditions of every kind. As a strategic affiliate of Southeast Georgia Health System, our practice combines orthopaedic subspecialty expertise with the strength and integrated resources of the region's leading health care provider. Schedule an appointment, and let us help you or your loved one make a full and fast recovery.

Hip Replacement

Get the most advanced, minimally invasive surgical techniques available with robotic-arm assisted **Mako® Total Hip Replacement** to help relieve pain and increase mobility.

Knee Replacement

Our experts perform total knee replacements to get you back to the activities you enjoy. We also offer minimally invasive, robotic-arm assisted **Mako® Total Knee Replacement** and **Mako® Partial Knee Replacement** for improved outcomes and faster recovery.

Back & Spine

Don't let acute or chronic neck or back pain slow you down. We specialize in treating a wide range of back and spinal conditions, including:

- Herniated or ruptured discs
- Degenerative disc disease
- Spinal stenosis
- Sciatica
- Compression fractures

Specialized Treatments

Count on us to provide treatments for a wide variety of orthopaedic conditions, including:

- Shoulder and rotator cuff injuries
- Fractures
- Wrist and elbow injuries
- Bone spurs
- Ankle and foot injuries
- Osteoporosis
- Sprains and strains
- Arthritis

Sports Medicine

Working with athletes of all types and skill levels, we develop a personalized plan to get you back to your peak performance as quickly and safely as possible. Our specialties include:

- Concussions
- ACL and knee injuries
- Rotator cuff injuries
- Elbow, wrist and ankle injuries
