

Mammograms in Motion

Time, transportation and expense are no longer obstacles to comprehensive breast care.

Funded in large part by a generous grant from the Coastal Georgia Affiliate of Susan G. Komen®

Q. What is *Mammograms in Motion*?

A. Led by Southeast Georgia Health System, *Mammograms in Motion* is a collaboration with local physicians, community health centers and county health departments to provide breast health care and education.

Q. What makes *Mammograms in Motion* possible?

A. *Mammograms in Motion* is funded in large part by a generous grant from the Coastal Georgia Affiliate of Susan G. Komen®. Additional funding is provided by the Southeast Georgia Health System Foundation.

Q. Who is eligible for *Mammograms in Motion*?

A. Uninsured and low income individuals in Brantley, Camden, Glynn, Long and McIntosh counties are eligible.

Q. What services are provided?

A. Services include breast health education and outreach, screening mammograms, diagnostic breast work-up services, ultrasounds and stereotactic biopsies. High risk patients are eligible for breast MRI scans and MRI-guided breast biopsies.

For more information, or to schedule an appointment, call 912-466-5234 or 1-800-537-5142, ext. 5234.

Mammograms require a health care provider's order.

Q. Is there a cost for services?

A. No. Services are available to qualified patients at no cost.

Q. Where are services provided?

A. Services are provided at each of Southeast Georgia Health System's imaging locations and in rural areas through the Wellness on Wheels (WOW) mobile health vehicle.

Q. Does the WOW provide the same advanced digital mammography equipment as the Health System imaging locations?

A. Yes, the WOW is equipped with the same advanced digital mammography equipment as our imaging locations and is staffed by female mammography technologists.

With three locations and the WOW, we're making it easy to make breast care a routine for life.
