

Work ~~in~~^{for} Progress

Inside and out, construction crews are on the job at Southeast Georgia Health System. They're expanding and updating the Emergency Care

Center (ECC), and they're building the new Surgical Services Tower and Inpatient Floor. Here's a quick look at our planned timelines!

NUMBERS TO KNOW

Emergency Care Center (ECC)

35 Current exam/treatment rooms
50 Planned exam/treatment rooms

153 Patients per day that the ECC currently serves

Seeing Advanced Health Care Together.

Summer 2018 ▶ Temporary entrance opened and construction began

Spring 2021 ▶ Construction complete!

52,239 ECC patients served in 2017
63,168 ECC patient projected need in 2020

Good to Know!

Q. Will the Emergency Care Center be open during renovation?

A. Absolutely. There will be some noise and changes in how patients move through the Emergency Care Center, but we will still be here to take care of you.

Q. Where should I go if it's not an emergency?

A. Our Immediate Care Centers in Brunswick and St. Simons Island are open to meet your non-life-threatening health care needs seven days a week. No appointment is needed. For more information, visit sghs.org/immediate-care.

Q. How can I stay informed about the Health System's construction progress?

A. We offer a Master Renovation and Expansion Project e-newsletter as well as text alerts to keep our community informed about our progress. To sign up, visit our website at sghs.org/renovation.

Q. Are there opportunities to help fund the project?

A. Yes! Our Foundation is conducting a 20-20 Vision Campaign with a goal to raise \$8 million. So far, they've raised almost \$5 million. Your gift to the campaign can help guarantee quality health care in our community for generations to come! One-time and ongoing gifts are welcome. Visit sghs.org/give.

Vision is
